

GRAPHIC DESIGN PACKAGES

Finding the right graphic design agency for your business should start with finding someone who understands your unique challenges. At CutBoard Studio we take the time to listen to your needs.

You and your business deserve undivided attention. **From the moment you contact us we begin learning about who you are and what you expect. If you don't see what you need here, contact us to request a custom quote.**

START-UP

New Business Logo: We'll create three logo designs, with the goal of communicating the mission of your brand. Select one of the three concepts, and we'll make one round of final revisions.

New Website: You provide us with content and images – we'll create a simple, one page website with information about your business, your product or service, and contact information.
